Hayden & Jana

I met Jana in college. She was in her third year and I was a senior. She was a nursing student and I was into cellular biology. We had a couple courses that overlapped and that's where we met. It took a whole semester before we even acknowledged that the other was in the class. Then one day we happened to sit next to each other and started up a conversation before class started. It seems like we became instant friends and eventually became lovers.

WE HAD TO TAKE A BREAK FROM STUDYING AND THOSE PINK DILDOS WERE HANDY.

Hayden is such a sweetie. I love how she looks at me. I met her in a third year nuclear biology class at the university. After we met, we became study buddies and then friends and now lovers. We first hooked up when we were studying for finals. It had been a long study session at my dorm room. I was exhausted and so was she, but not enough to start kissing me. It was the first time we kissed. I was a little surprised that it took this long for us because I know there was an attraction there from the start. Now, however, it's time for me to get into some real biology. Her biology.

WE LOOOOOVE EATING THAT SWEET PUSSY...

877-844-7825 OVER 18 TO CALL

I guess you could call me a newbie, but I don't feel that way. I've done a few scenes, mostly by myself or with other girls. I admit, it's taking me a while to understand this business, but that hasn't changed my sex drive or my need to get off. Ever since I can remember, I've been pretty sexual. I like masturbating just about every day, and at times several times a day. When I was in college, I discovered ben-wa balls and would often go to class with them in me. Losta fun.

alisha

I WONDER OF THE PHOTOGRAPHER WILL REALLY LET ME GET OFF IN THIS SHOWER?

The washing machine is also a lot of fun. The one I have in my apartment has been put off level just a little so it vibrates harder on the different cycles. I sit on it butt naked with a small dildo on my clit and I get off and off and off. When I use the electric trimmer on my pubes, I put it on high and let it go to work down there. I've probably explored a hundred different ways to get off and I can't wait to find the next way to do it. It's always a lot of fun trying new things with my pussy!

A BIRTHDAY'S NOT A BIRTHDAY WITHOUT A BIRTHDAY FUCK

4

ou just gotta love birthdays. Especially milestone birthdays, like 21, 30, 40, 50, 65 and 100. Despite a deep apprehension at turning 21, Derrick felt a little excitement as he headed home from a birthday round of drinking with his buddies. It started innocently enough with a challenge of beer pong, na dended with two of the guys passed out on the sofa. Derrick managed to control himself enough to drive himself home.

Pulling into his garage, he was hoping for a quiet night with his girlfriend and maybe getting a quick handjob in bed as they watched late night TV before falling asleep.

Laureen was sitting in the living room with the next door neighbor doing that girlie gossip thing. She barely looked up at him but did acknowledge his stumbling into the room with a small sneer. Turning back to the neighbor, Derrick just heard white noise coming out of their mouths. He decided he needed to freshen up and sober up.

He poked his head back to the living room and told the ladies he was going to go shower. Going up the stairs, Derrick decided to treat himself to a long, hot bath. After almost an hour, he gets out and noticed how pruned his skin was and thought, that in another twenty years he may be looking like this even without a bath. He reaches for the towel and realizes it is not there. He'll have to walk across the room to get one and as he opens the door, there is Laureen with a towel wrapped around herself. She asks him if he is looking for this, and takes it off and hands it to him.

Naked underneath, he sees the hot beautiful woman he's been married to for almost a year. "Happy Birthday, baby." she croons as she walks over to him and begins to dry him off.

She still has that tight body he used to ravish every day. She begins by drying off his shoulders, chest and belly. Reaching his groin, she passes on his privates and dries off his legs. Turning the towel to a dry area, she goes back to his crotch and rubs the towel into his pubic hair and down under his cock to dry off his balls.

"Turn around." she says, and Derrick obliges her, putting his hands on the wall like a cop was about to frisk him. She dries off his shoulders and back and softly pushes the towel between his cheeks to be sure he is good and dry back there, too. Derrick is enjoying every minute of this, being relaxed from the tub and now a vertical towel massage.

Throwing the towel on the floor, Laureen pulls Derrick towards the bed. Now he takes over, laying Laureen down and begins kissing her neck, gently nipping and running his tongue all over her soft flesh. Gradually he moves down her body running his tongue around her naked breasts and bare belly cupping her firm breasts as he goes lower and lower on her. He then retraces his slippery path back up her body reaching and sucking her erect nipples. When he begins with gentle bites, she moans softly and her breathing becomes quick and sharp.

He reaches between Laureen's warm and moist legs to gently caress her clit. Again he slides down her body kissing it all the way and reaching her soft delta. He begins to slurp up the juices that began to flow. Derrick places his fingers on her pussy to gently spread her lips apart. He then gently pressed his fingers into her mound and just as he was about to insert one she turns away and rolls on top of him.

Reaching across his chest and into the drawer on the nightstand, she grabs a blindfold and places it over his eyes, tying it behind his head. She then grabs some scarves and ties him to the bed so that his arms were spread apart.

She then begins to kiss him and moves to his ear, nibbling on his earlobe and whispering "Happy Birthday." Again and telling him to relax and enjoy. Her hands move down past his cock and she begins to squeeze his balls while kissing and biting his nipples. Slowly she moves

HE FELT HIS COCK PENETRATE NEW TERRITORY

her head down his body and begins to lick the head of his cock, licking the entire length of his shaft and then plunging his cock deep into her mouth. She sucks harder and harder, taking time to lick it and nibble at it's head causing him great pleasure and a tiny bit of pain.

Replacing her mouth with her hands, she starts stroking his cock until she feels him about to come. "Not yet." She whispers and he feels her get off him and off the bed. Moments later he heard her return climbing on top of him and guiding his rock hard cock into her pussy. She pumped up and down using her knees and thighs in a steady pace for a few minutes.

She then bent down on top of him and he hears a whisper in her ear, "Happy Birthday, Derrick," but the voice was not Lauren's. Before he realized what was happening a moist fleshy body part landed on his face and pushed into his mouth. It couldn't be Lauren, he thought, she's riding me. The taste of pussy filled him, but it was a new one. One he did not recognize, but at a time like this it did not seem to matter. It tasted so good that he began to lick it with gusto. As he was doing this the pussy got wetter and wetter and he had to taste more so he forced his tongue inside.

Down below, Lauren had quickened her pace and was moaning loudly. The girl sitting on his face began to moan softly and her juices began to ooze out from between her legs covering his face in a warm sticky substance. She began to rock backwards and forwards forcing his tongue further inside her and Derrick could hear both girls moaning loudly.

Derrick felt himself building up to orgasm and within a few minutes he exploded just as Lauren got off him. She helped finish his climax with her hand as he felt his splooge warm and wet on his belly. Lauren gave little squeals of pleasure at a job well done as the girl on

his face felt his climax and joined him with one of her own, flowing her cum-juice all over his lips and chin.

Derrick could feel the women trade places as the new girl grabbed his cock and immediately brought it back to attention with her lips and mouth. Lauren moved to the top and carefully placed one of her nipples into Derrick's mouth and he began sucking like he wanted to get out every last drop of nipple juice.

He felt his cock penetrate new territory. Much firmer than Lauren's. A tightness that brought him back to his college days and the girls that visited him in his dorm room.

He could hear the girl gasp as his cock was slowly swallowed up. Derrick began to pump his hips and his cock began to slide more freely inside. She responded with gyrating hips and perfectly timed bounces to keep him hard and deep.

ON THREE. THEY EACH BLEW THEIR OUT

All of a sudden everything came to a stop as Laureen removed his blindfold. Slowly adjusting to the light, his eyes looked up at four breasts and two

faces kissing in the half light. The kisses stopped and they both looked down at him. It was Faith naked and bouncing up and down on his cock. She was the neighbor Laureen was talking to as he came home. She was always a little snooty he thought after living next door for all these years. But he was wrong and now her dark brown hair was draped all over her face and she looked as though she was enjoying every minute. He could see her tits which were about the same size as Laureen's bouncing as she moved up and down.

Looking further down her body he could see that her pussy was cleanly shaven and he could just see the

beginning of her slit between her legs. Laureen and Faith looked at each other and began to passionately kiss each other again, and their tongues began to work away rolling together.

The two untied Derrick from the bed and as he stood up to stretch Faith fell on top of Laureen and she began to move slowly down her body until she reached her pussy. She stuck out her tongue and began to lick Laureen's crotch.

Seeing Faith bent over with her butt in the air, Derrick could see her soaking pussy clearly. He placed his fingers deep inside her and proceeded to finger fuck her as fast as he could. Faith's breathing quickened and her body began to squirm, he pulled his fingers out just as her cum squirted out of her pussy. He then rammed his cock into her and began to thrust. He licked his fingers clean of Faith's pussy juice and fucked her as hard and as fast as he could. Faith began to scream loudly and had a powerful orgasm, her body began to shake and she slammed her body against Derrick's as hard as she could so that he was very deep inside her. Derrick filled her tight pussy with his cum until it began to pour out of her. Both ladies started to moan as Faith orgasmed first and Laureen not far behind.

The girls switched positions and Laureen began to suck Faith's pussy and sucked out all the cum that she produced from the orgasm she just had. Derrick now saw that Laureen had her ass in the air and slammed his cock into her. Laureen gasped with as Derrick leaned forward and inserted the length of his cock into her.

All three of them were now moaning and just as Derrick was about to cum he pulled out of Laureen and shoved his cock in Faith's mouth. She took all of his cum and swallowed. Derrick and Faith began to kiss and Derrick could taste a mixture of his, Laureen's and Faith's cum.

Derrick felt his cock become stiffer and rolled onto his back. Both ladies began to suck and lick his cock at the same time. He was ready to cum again and shot his load all over both of their faces. They both looked at each other and began to lick the cum from each other. Once they were both clean all three lay on the bed next to each other on the bed. After a few minutes, Laureen gets up and leaves the bedroom only to return a few minutes later with a small cake with three candles on it. She gave one to Derrick and one to Faith, keeping the other for herself. On three they each blew theirs out and, as if on cue, the two ladies smashed the cake into Derrick's face with sing-song voices saying – "Happy Birthday!"

I was so tired last night that I went to bed early. Too much homework from my professors and the anxiety of taking the exams was tough on me. But today is another day with more of the same to look forward to. So I get dressed and do a few limbering up exercises when there's a knock at my door. I say come in and it's Alex, my room mate's boyfriend. And he's standing there naked with his hard cock in his hand.

meddie

"WHAT BETTER WAY TO SPEND A SUNNY DAY THAN THE GARDEN, TOTALLY NAKED "

Shocked to see him, I ask what he is doing here? After all, I was up all night because I had to listen to him bang my roomie all night as I tried to sleep. I told him my roomie had left for class, but he said he knew that and came here for me. He came farther into the room, cock in hand and without a word, I was strangely attracted to it and inched myself forward to meet it with my mouth. I sucked it for a while and then he said he wanted to fuck me. I hesitated at first, but the lure of his beautiful cock was too much. I took it and led it into my pussy.

andie & zoe

Andie is my beautiful valentine and I can't wait to get my hands on her tonight. She said she'd been shopping all day at our favorite lingerie store. She called me from the store asking what color I preferred, but it didn't matter since it was not going to be on her for very long. But when she came over and showed it to me, I told her to go put it on so I could see how it fit her. When she came out of the bathroom with it on, I had stripped down to just a pink panty. Her smile was a real turn on as she looked at me and I looked at her.

WE CAN'T WAIT TO GET STICK OUR WET TONGUES INTO EACH OTHER'S HOT PUSSIES.

i went over to her and took her in my arms and planted a great big kiss on her lips. I told her she looked marvelous and I couldn't wait to lick her. I reached around and undid her bra and pulled it off. She bent down and started kissing and nibbling on my nipples. Things were starting to get pretty steamy by the time our little underthings were on the floor and we were completely naked. Then, to my surprise Andie pulled out a large powder blue vibrator out of her shopping bag and told me to go get some batteries. I did and we played all day long!

My boyfriend Eric called an hour ago and said he was really horny. I told him I was, too. He told me he wanted to fuck me in the ass. I told him I wanted that too. He told me to get a big bottle of lube ready because he was going to spend all day there. I told I had already put it out and I didn't want to wait for an hour for him to come over. He said he'd be right over because he didn't want to seem too anxious. I told him I was the anxious one and to get his ass over here.

ashley

I REALLY LIKE ERIC'S COCK, ESPECIALLY WHEN IT'S IN MY MOUTH, PUSSY OR BUTT!

eric was right on time and I had on just enough for him to take off of me. I told him I was freshly shaved down there and can't for him to lick me. He told me he had just shaved there too and couldn't wait to feel my lips around his cock. I told him I couldn't wait to get it into mouth and give him one of the best blow jobs he had ever received. He told me he couldn't wait, but it was my ass that was going to get most of his attention. I told him it tight and ready for his cock. He told me he was at my door but it was locked. But not for long...

ISLAND GIRL

I walked over to the front desk of the resort I was staying at in Aruba and asked where a good nightspot was. I didn't want to go to anywhere too touristy. I wanted a real place, not where a few rich goofs from the States are flaunting themselves. I hate that. It took me two years to save up for this trip, so I wanted to be around people like me, real people. The resort receptionist told me about a yacht that was anchored on the other side of the island that I might enjoy. There were tourists she said, but they mostly came on the weekends. The rest of the week was mostly locals, she told me.

Back in my room, I went through my closet and pulled out a cute little outfit that I thought would be perfect. I'm about 5' 6" with longish blonde hair and lightly tanned skin. I took out my highest

heels and found a skirt that came a few inches below my butt. My blouse was a deep blue and I tied it around my midsection, allowing just enough of my belly to show. I wore a half bra that barely covered my nipples, but pushed my boobs up to accentuate my cleavage. I looked at myself in the mirror. I thought my perky breasts looked quite provocative and my butt looked nice and round. I thought perhaps my outfit should be a bit more modest since this first night out because I did not know who I would encounter. All day at the beach and around town, I noticed people wore very little in this hot tropical sun and heat. I did not know what they wore at night.

I head out about 10 pm and a cab took me right to the yacht. They weren't kidding, the crowd waiting to get on was not touristy at all.

The boat looked a little beat up and not too seaworthy, but we were not leaving the dock. There was a big bouncer at the foot of the gangway with a small line waiting to pay and get on. The music was blaring so loud I could hear it clearly outside. A combination of reggae and funk. Good dance beat, I thought to myself as I went onboard. There were colored lights all over the yacht and a concentration in the middle that seemed to be the set up as a dance floor. I worked my way around the tight aisles and found the bar and ordered a drink.

I grabbed a stool sat down to look the place over. There were lots of people here. It was bigger than it looked from dockside. I finished my first drink and it gave me the courage to head out to the dance floor. The open air with endless sky as the ceiling made this a different location than the typical dance club. Plus the slight sway of the boat made me think I was drunker than I really was. I made way to the dance floor. I easily picked up the beat and began to move to the

music. The small floor was crowded and people kept bumping into me but no one seemed to mind and neither did I. I just had to get used to it because it was not going to change. I lost myself in the music. I felt someone bumping into me from behind. It was kind of nice and anonymous so I took a step back and let my ass rub against them.

The music ended and I thought the person behind me was going to leave. Immediately a new song started, a little slower than the last and to my surprise I felt their hands move around my waist and as they leaned in closer I felt boobs pressing against my back. A girl? I could smell her body lotion. I felt tingles travel along my spine and the longer we danced the more turned on I got.

The song ended and she tugged at my hips. I turned in time to see her back to me, leading me over to her table. I had not yet seen her face, but from behind she was pretty hot looking. Long black hair, nice round butt and a long slow gait that made her glide across the floor. "So where you from?" she asked in a mild Aruban accent, turning around so we saw each other for the first time. "Georgia." I said in my fine Southern drawl. "I took a

week off from work to get away, so I came here with a couple coworkers." I said. We made light conversation as we checked each other out. Out of nowhere she asked if I wanted to get some fresh air. I laughed because we were already outside. I said "Sure." And we left the yacht.

We walked a few blocks to the beach and started walking along the seashore. The waves were constantly breaking. "This can be very intoxicating," she said about the sound of the waves. She

grabbed my hand and looked up at me. "What are you looking at?" I asked. "Oh nothing." She leaned in and kissed me. I was shocked. We walked for a while longer in an awkward silence and ended up in a small palm tree grove. The moon was large and bright and the grove was well illuminated. Turning to me, she pulled me over to her and kissed me again. This time I let the sensation last a little longer as it ran from my head to my toes. I began to feel her soft lips and even softer tongue exploring mine. I responded slowly and she was patient with me. As this was going on, I thought that perhaps I should have been more cautious about being with a complete stranger in the middle of night.

We stopped and looked around for a spot on the ground. She laid her red cape down on the sand and she came down on it. She undid my blouse and pulled my breasts out from the bra. Her warm breath against my skin sent waves of excitement up my spine. She flicked her tongue over my hardening nipples as her hands worked my skirt up past my hips. My panties were slipped off so quickly I did not even feel them

come off. She didn't waste any time, I thought, and it was starting to make me a little uncomfortable.

I grabbed her hair to pull her off, but I felt her press her face against my mound. I lost my thoughts as a tingling sensation swarmed my body. I had been with a couple girls before but that was college hi jinx at the U of G, so I was not too uncomfortable with it being a woman down there. I looked down at her as she rested her chin right at the top of my slit. With a final look up, she plunged her tongue into my wet pussy. My moans were lost in the crashing of the waves.

As her tongue circled around my clit, it never actually touched, I whimpered and squirmed. I was so horny, I wanted her to tongue fuck me, not tease me. Her tongue finally ran over my clit setting fireworks off in my body. I quickly slipped my fingers into her thick black hair and began to grind my hips against her face. Faster and faster she swirled her tongue over and around my throbbing slit until I exploded. My juices flowed freely into her mouth. She buried her face into my pussy causing my climax to go further.

My orgasm quickly faded and I sat up and rolled her over. I wanted to taste her! It was my turn. I quickly removed her tight shorts. Her mocha skin was covered in sand and glistened in the moonlight. I didn't care about the sand and went straight for her pussy. My nose was filled with her musky scent. I playfully licked her lips and watched her squirm before slipping my tongue deep into her pussy.

She tightened her thighs around the side of my head as I ate her out. She tasted delicious, sweet and salty at the same time. My tongue wagged wildly over her clit and plunged deep into her wetness like a little cock. After a few moments I slipped my finger deep inside her and I felt her muscles squeeze tightly around it. I continued to lick and suck her clit as I worked my finger in and out of her sweetness.

She writhed in the sand like someone possessed and tightened her grip around my head with her thighs. She was going to cum. I licked harder and faster, her black pubic hair tickling my nose. I felt her hand grab a handful of my hair and she pushed hard. Her pussy began to spasm and her juices covered my finger. She shuddered, body convulsing, and then her moans died out.

I moved my way up her body and kissed her deeply, our juices mixing in our mouths. We lay there for a while, gathering the strength to stand up. Once we did, we went back to the yacht and back out onto the dance floor. This time we danced face to face.

Zoey wanted to do a new photo shoot so she could have some new stills to shop around and hopefully get more modeling work. She called her agent who said to come by and she would squeeze her into an already hectic schedule. She showed up wearing a tight pink top and cut off jeans. Her perfectly plump booty was stretching that fabric to breaking point too. She wondered if the outfit she picked out was good enough for the shoot.

Zoey

I'M GLAD HE WAS HERE TO HELP ME WITH MY SHOOT. THESE ARE JUST THE SHOTS I NEEDED.

The agent just had to level with her and tell her she would look way better in bra and panties. Talon walked into the room and volunteered to help Zoey out with the shoot. She quickly took up his offer and unzipped his pants to see if he was really up for helping. He was and it didn't take them long before a full blown sex scene was recorded. The shoot turned out great but my Zoey was the real winner. She got to play with herself, get fucked, and got some great photos to update her modeling portfolio.

we're the only magazines that, every month, feature the hottest women on the planet in explicit hardcore action direct from our pages, and it's all free to you. just enter the code into your computer, tablet or smartphone and sit back and enjoy.

We hope that you have bought the last couple issues so you could see us each by ourselves. While those photos were fun, we couldn't wait to finally get to work with each other. The photographer gave us just a half our break before we were on so we had little time to adjust to the day. Nonetheless we had a fucking good time getting naked and then fucking each other. The set was a little bare but we didn't care because our focus would be on each other. Goldie said that sitting on the sidelines while I was on set was taking forever.

She couldn't wait to get back in and start kissing and undressing me. And I wanted to feel her soft lips on my mouth, and then my pussy. She does this little fluttery thing with her tongue that is unlike anything that I've felt before. When we finished, I asked her if she would teach it to me. She said she would but only in private, after all it took her six months to learn it. She said she had to lick a lot of pussies to get it right. Now everyone loves it. As did I.
